

LINCOLN HILLS SPORTS CAR GROUP

August 1, 2016 6:30 PM
Kilaga Springs Presentation Hall
lhsportscars.com

BOARD MEMBERS:

President:	Gary Musser	Tour Events:	Ernie Drake
VP/Membership:	Tom Breckon	Social Events:	Kathy Mason
Secretary:	Rob Phillips	Liaison/Historian:	Randy Lucchetti
Treasurer:	Mary Olsen	Webmaster:	Ron Goleno

Welcome to Members and Guests

The meeting was called to order at 6:30. All Board members were present.

REPORTS:

VP/Membership: Tom Breckon

Currently we have 114 Households who are paid members. 42 Households and 68 Members were present at the meeting tonight.

Guests tonight were:

Scott Thompson, corvette
Howard Stagg, corvette
Rob and Joan Pennington, BMW
Rex and Jull Nicodemus, shopping for a car

New Members Tonight:

Jack and Leslie Geisen, Porsche

Secretary: Rob Phillips

There were no corrections to the Unapproved Minutes from the July 4 Meeting. Minutes were approved as presented.

Treasurer: Mary Olsen:

Our account balance for August 1st is \$2199.47.

Social Events: Kathy Mason:

Kathy reported on the July 4th Great American BBQ event. The September 25 Event is Cancelled due to problems with the chosen venue. Please Hold the Date for a new Event.

Kathy gave a short Report on the Sunshine Committee.

Liaison/Historian: Randy Lucchetti:

Randy reported that the Website is up to date regarding pictures from recent events and tours

Webmaster: Ron Golen:

Ron reviewed website criteria and informed us that our website meets or exceeds industry standards. (Hidden Question - What Company began a century ago as a simple furniture polish laboratory and plant now spans the globe as an international car care brand?) He also showed how the link to weather conditions on our website could be utilized, reviewed how to order Nametags and how to visit the Albums for various events and tours.

Tour Events: Ernie Drake:

Upcoming Tours;

Cowboy Campfire – August 6/7, Sierra Nevada Brewery – August 8/9, Color on Parade - Chip Repair Breakfast - August 15, Third Thursday Ride – August 18, Sierra College Natural History Tour – August 27.

Ernie reviewed a number of protocols regarding Tour Events

If you need to cancel for a event please do this as soon as possible.

Please keep the car in front of you in sight and do not fall too far behind.

Do not tailgate.

If at a stoplight there are two left turn lanes consider doubling up if possible so all in the group can get through the light.

If the groups are close enough together that walkie-talkies bleed together and create static please keep “chatter” to a minimum. If groups are far enough apart then ...

When taking breaks at stops please try to park together as a group.

Do not switch groups without informing Group Leaders.

If possible try to stay in the same order within your group.

1. Reminder: Guest Waivers are needed for each individual Social and Rolling event.
2. If you think about subjects that you would like to hear about and discuss at our

meetings pleasant present your ideas to any Board member. This is your club, so let's work together to make it fun.

NEW BUSINESS:

1. Happy Birthday to club members with August birthdays

August 6 Pam Anthony
August 17 Cliff Johnsrud
August 23 Chuck "Cheese Whiz" Schmidt
August 28 Tom Breckon

2. Last month some of us received bogus emails that appeared to come from our Sports Car Club. The likely cause was due to malware or virus software that has infected one of our computers.

Terry Rooney made a presentation at our meeting on August 1, 2016 about protecting all your computers from malware. We thought it is important to let everyone know about Malwarebytes, found at www.malwarebytes.com. Terry recommends that everyone download this program and run it every two weeks. It will really help to remove harmful software that may have infected your computers.

Malwarebytes runs on both Windows and Mac computers. Mac malware is much less prevalent than on Windows, but does exist.

Malwarebytes does NOT replace your normal anti-virus program like Avast, Norton, McAfee, etc. However, no anti-virus program is 100% effective. Malwarebytes is particularly good, and may find bad stuff that other programs do not. It will not interfere with your normal anti-virus program.

Malwarebytes is available free. Each time the user wants a scan done they must start the free version. You can buy the Premium version for Windows for \$20 (\$35 for 2 years), which can be installed on two computers and will run automatically.

The Windows version will usually take about 30 or 40 minutes to run the first time. You may find no PUP's (Potentially Unwanted Programs) or you may find hundreds (1800 is the record for computers Terry has worked on).

Please give this a try.

3. We gathered for our Tailgating Party for cookies, cupcakes and water and a mini car-show.

ADJOURN: Meeting adjourned at 7:47 PM.
