More information will be presented at a later date.

Birthdays and Anniversaries

Birthdays in June are Jerry LaFave, Gary Musser, Gary Allington, and Nadine Miller. Ron & Elly Goleno are celebrating 50 years of wedded bliss!

Betcha don't know who this is? ...

Everyone had a difficult time identifying DiAnn Rooney as a small child and then with her sister. Many knew Terri Rooney shown as a young man.

Virgil Berry was hard to spot in his first-grade class but once pointed out most could identify him. Pam Berry was shown dressed up for a 50's party with blond hair and bubble gum.

Ron Goleno played a short video on the First Gas Station Ever - 1888. Bertha Benz was the driver of the first long distance journey of an automobile. He also showed a 1950 pit stop at 67 seconds and a 2013 pit stop at 3 seconds. Things have changed.

Tom Breckon spoke about a recent trip to San Francisco. He and Michelle saw a car show for the California Mille 2019. It is a 1000-mile California tour of pre-1958 cars based on a historic Italian race the Mille Miglia that went through 1957. The California tour starts each year in front of the San Francisco Fairmont on the last Sunday in April. He had pictures of the autos that were shared.

Those in attendance enjoyed a social gathering after the meeting.
