

Beale AFB Tour

Meet at Orchard Creek Parking Lot at 7:45 AM, normal area.
Form two lanes, one led by Webb's, one led by Haupters.

Leave OC parking lot at 8:15 sharp .right on Del Webb, left on Sun City blvd, to Ferrari Ranch, rig on Ferrari Ranch to HW 193, left on 193 to East Ave, right on East Ave to 12th st, right on 12th street, to McCourtney, left on McCourtney, we will travel on McCourtney up to Far West Reservoir. There is a large bridge over Bear River, at North West side of Far West Reservoir, as you pass over bridge, get ready for left turn on to Far West Road, just past bridge. Follow Far West Road to Spenceville Rd. Take left at Spenceville Rd, follow that to Wheatland---Yeah, I know, that is a long way to get to Wheatland, but gosh, won't it be fun!!

Those of you with Corvettes, beware, there are a few bumps on road, we don't want your plastic fenders to fall off!!
That would be embarrassing!!

At Wheatland, proceed to Highway 65, go north towards Marysville.

Do not take the first exit that says Beale Air Force Base--do not, do not, do not!!!

Continue on HW 65, through the merge with HW 70, continue to exit 20 A--signs will say Beale Air Force Base, Yuba College, exit 20 A is Feather River Blvd. keep right, till you see sign that says Beale Air Force Base, North Beale Rd, turn left there, and proceed to gate.

Be sure to have your CDL with you for ID, they will have a list there to check you off. When you get through gate, there is a parking lot on right, park there and a bus will pick us up for the tour.

If you get to Orchard Creek late---just take HW 65 to HW 70, like most sane people would!!

Return will be as you choose!!

See ya Friday.
