

Impromptu Ride to Capay Valley

Lunch at Cache Creek Casino

Friday April 5th 10 AM

The Breckons and Beasleys are going on a ride to the Capay Valley on Friday April 5th. The Capay Valley is located on Hwy 16 west of Woodland. If you would like to join us and see this beautiful valley, bring your sports car and follow along. We will leave from Orchard Creek at 10 am. You don't need to let us know in advance that you are going, just show up.

It takes about 1 ½ hours to get to the Casino, where we will have lunch. After that you can have fun at the casino, or continue on Hwy 16 and see the whole valley.

If you sign up for player cards, which are free, you get a \$25 credit with each that is more than enough for two people to have lunch or dinner at their buffet.

The general plan is to drive to Woodland via Sunset and Howsely Roads, Hwy 99 and Hwy 5, taking the Main Street Exit at Woodland. Then head straight west for about 15 miles until you turn right on Yolo Ave and continue on Hwy 16 to the Casino.

You should definitely drive past the casino at some point all the way to Hwy 20 to see the whole Capay Valley. You can return home via Hwy 20 and Williams, or you can double back and return the way you came.
