

# Plymouth Rally

Wednesday June 5, 2013

Save this date for a fun rally, to Plymouth (no Plymouths allowed) in the Shenandoah Valley. We've found a small winery with lots of history and a wonderful story, in fact it's called "Story Winery".

Plan for a day of fun driving some back roads, having coffee with friends. Wine tasting, a picnic lunch at the winery under the Oaks and a wonderful view of the grapes growing across the valley.

The sad thing is we only can take 25 cars as the winery is small so let us know if you can go ASAP. The lunch choices will be sent at a later date. The charge will be \$13.00 each for lunch.

Please email your confirmation to: Bob Turner or Gary Musser  
(See LHSCG Roster for email addresses)

We hope you can join us.
