(2016's Hero's and Hound's Event)

Hello Fellow Sports Car Group Members,

Above, you'll find the information flyer for the 2017 Heroes & Hounds Poker Run which is scheduled for Saturday May 20<sup>th</sup>, 2017. Proceeds from the ride benefit the RRUFF Healing Heroes Program which provides training and matching services for both disabled vets and their service dogs.

Details will follow later, but the general plan is to meet around 8:00 am and drive together to the Lincoln Memorial Veterans Hall on 5<sup>th</sup> St. You'll each have pre-registered on the specified website, but we'll confirm our arrival inside the Hall, have coffee and doughnuts if you wish, and depart for the poker run shortly thereafter. After the poker run (last year's went out to Auburn, then to Wheatland via back roads, then back to Lincoln), we'll have lunch at the Veterans Memorial Hall. Poker hand results, service dog demonstrations, etc. will be done at lunchtime as well.

To register for the event, go to this website:

Paste [Eventbrite.com/e/31231401964](https://www.eventbrite.com/e/31231401964) into your browser (same destination but much shorter than the full website listed on the flyer).

Click on the green "TICKETS" button, select either the "Sports Car Single Driver" or the "Sports Car with Passenger" offering and then click on the green "CHECKOUT" button and complete your registration.

After you have registered, please send me an email message at my email address listed on the [LHSCG Roster](#) so I can keep a list of registered attendees.

Be sure to state whether there will be one or two of you registered and attending. Should be great fun again this year – looking forward to seeing you there.

Ernie
