

# LINCOLN HILLS Sports Car Club

Hi Sports Car Club Members

Our community will not be having a 4<sup>th</sup> of July parade this year, so the Rods and Relics club will be driving through Lincoln Hills as an alternative parade. They have done a couple of short rides through the community in the last couple of months and they say that people line the streets and seem to enjoy seeing the cars drive by. This will be advertised in the E-News.

Rods and Relics has invited the Sports Car Club to join them on the 4<sup>th</sup>. They will leave Orchard Creek at 10 AM. The draft route is about 18 miles and should take about 1 1/2 to 2 hours depending on speed thru the villages. The draft route is attached. You can decorate your cars as you like for the parade.

There is also the possibility that Meridians could provide the participants with a BBQ after the ride. Meridians will be closed to the public on the 4<sup>th</sup>, but they have offered to set up a BBQ in the Secret Garden outdoor area, next to the ball room, starting at noon. You would grab food/pay and head back to your own tailgating area.

So, please let me know if you will go on the ride, and please state separately if you are interested in a BBQ tailgate lunch after the ride.

Tom Breckon
