

Sports Car Club ride to Yuba City for lunch at the Dancing Tomato Caffé Thursday, October 6th 12 noon departure

Jeanne Cervantes and Wood McCann are leading a one hour ride through the heartland of north/central California agriculture.

The Dancing Tomato Caffé is a quaint little treasure known as Yuba-Sutter's favorite home grown and locally owned family restaurant since 2004. Their mouth watering menu items are prepared using only the freshest ingredients from family recipes that showcase the seasonal bounty of the region.

We will have a separate group section reserved for us.
[Also, a full bar is available]

Lunch can be ordered individually from the restaurant's regular menu with separate checks. They will give a senior discount if requested.

There is also a separate senior menu with limited items and smaller portions.

After lunch you will be on your own, or you can follow us back home down Golden State Hwy 99s to the Nicolaus cutoff to Lincoln.

There is room for 22 cars and 44 people for ride and lunch.

**Sign-up by email to Wood McCann [see roster]
Sign-up Deadline is Saturday, October 1st**
