Sports Cars Club Members

SCG member Richard Pearl is directing the city of Lincoln's Airport Open House Day on Saturday, October 8th. In addition to a lot of super-cool aircraft on display, the event also envisions a large auto show: classic cars, sports cars, exotic cars, and WW II vehicles. Hopefully, we can get a lot of the LH SCG members to bring their cars for display. The event is expecting 3,000+ people and will be a great community event.

We will all depart the O.C. parking lot at 8:00 AM and travel as a group direct to the Airport where we will be directed onto the tarmac - positioned between the rows of aircraft. The event closes at 1:00 PM. There will be food trucks there for refreshments.

If you are interested in participating, please contact Richard directly. His contact info is available on our club roster.
