

Sports Cars Club Members

SCG member Richard Pearl is directing the city of Lincoln's Airport Open House Day on **Saturday, August 26th.**

In addition to a lot of super-cool aircraft on display, the event also envisions a large auto show: classic cars, sports cars, exotic cars, and WW II vehicles.

Hopefully, we can get a lot of the LHSCG members to bring their cars for display. The event is expecting 10,000+ people and will be a great community event.

There is no limit to participation, but we do need a list of participants by **Saturday Aug 19th**

7:30 AM Arrive at O.C.

7:45 AM We will all depart O.C. and **travel as a group** to the Airport where we will be directed onto the tarmac - positioned between the rows of aircraft.

12:00 PM While the event closes at 3:00 PM, there will be an early out available for the Club participants.

There will be food trucks there for refreshments.

If you are interested in participating, please contact:

Scott Humphrey.

His contact info is available on our club roster.
