

Hello Everyone,

Just a quick reminder that this Saturday, August 29th, is our ride to the Sacramento Shriners Childrens Hospital. Please try to attend if you can. It's for a very worthy cause -- putting a little bit of happiness in the lives of the patients. The majority of the patients are children that are hospitalized due to burns or spinal injuries. Those that are mobile enough will be able enjoy the car show that we'll be bringing to them. Remember, no gifts, no money, just a couple hours of your time is all that's required.

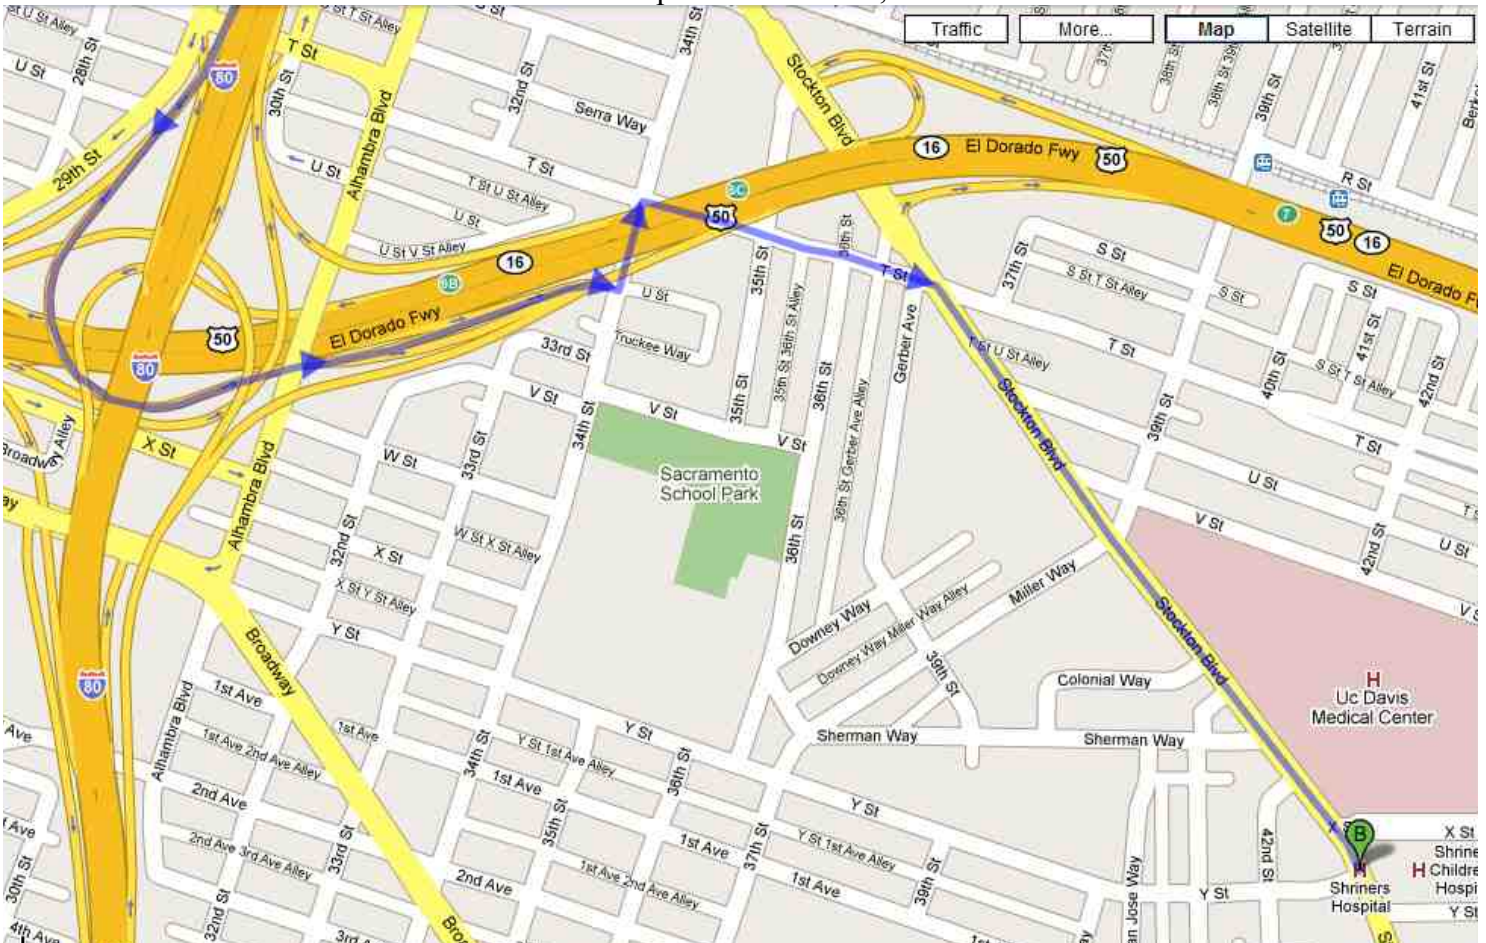

We'll meet at Orchard Creek Lodge, in our usual ride departure location, a bit before 9:00 am. I'll lead a group that will depart for the hospital promptly at 9:00 am. The event is scheduled to run from appx 10:00 am to appx 12:00 noon. And I've attached a map to help you find the hospital even if we should get separated on the road.

Please give me a response back (email or phone) if you intend to join us -- it'll help in reserving parking spaces in the same location for all of us.

I hope to see you there.

Ernie
