

Thunderhill Raceway

Special Class for Lincoln Hills Sports Car Group Members
Wednesday, September 8th

A special “Thunderhill Driving Experience” class has been arranged just for members of the Lincoln Hills Sports Car Group. Our hosts, [Hooked On Driving](#), have prepared a special “beginners” class for our group to teach us how to better drive our own sports cars. This class will be similar to their normal beginners class or “A”- class, but with a special rate for us and a bit of special training as well. They will also segregate other cars at the track on that day so that only Lincoln Hills cars are on the track during our scheduled track times.

This is a fantastic opportunity for our members to learn more about their cars and how to drive them better under adverse conditions. Please browse the [Hooked On Driving](#) website for information about their sessions. If you have any questions at all about our outing at Thunderhill, please give me a call or send me an email.

Cordially,

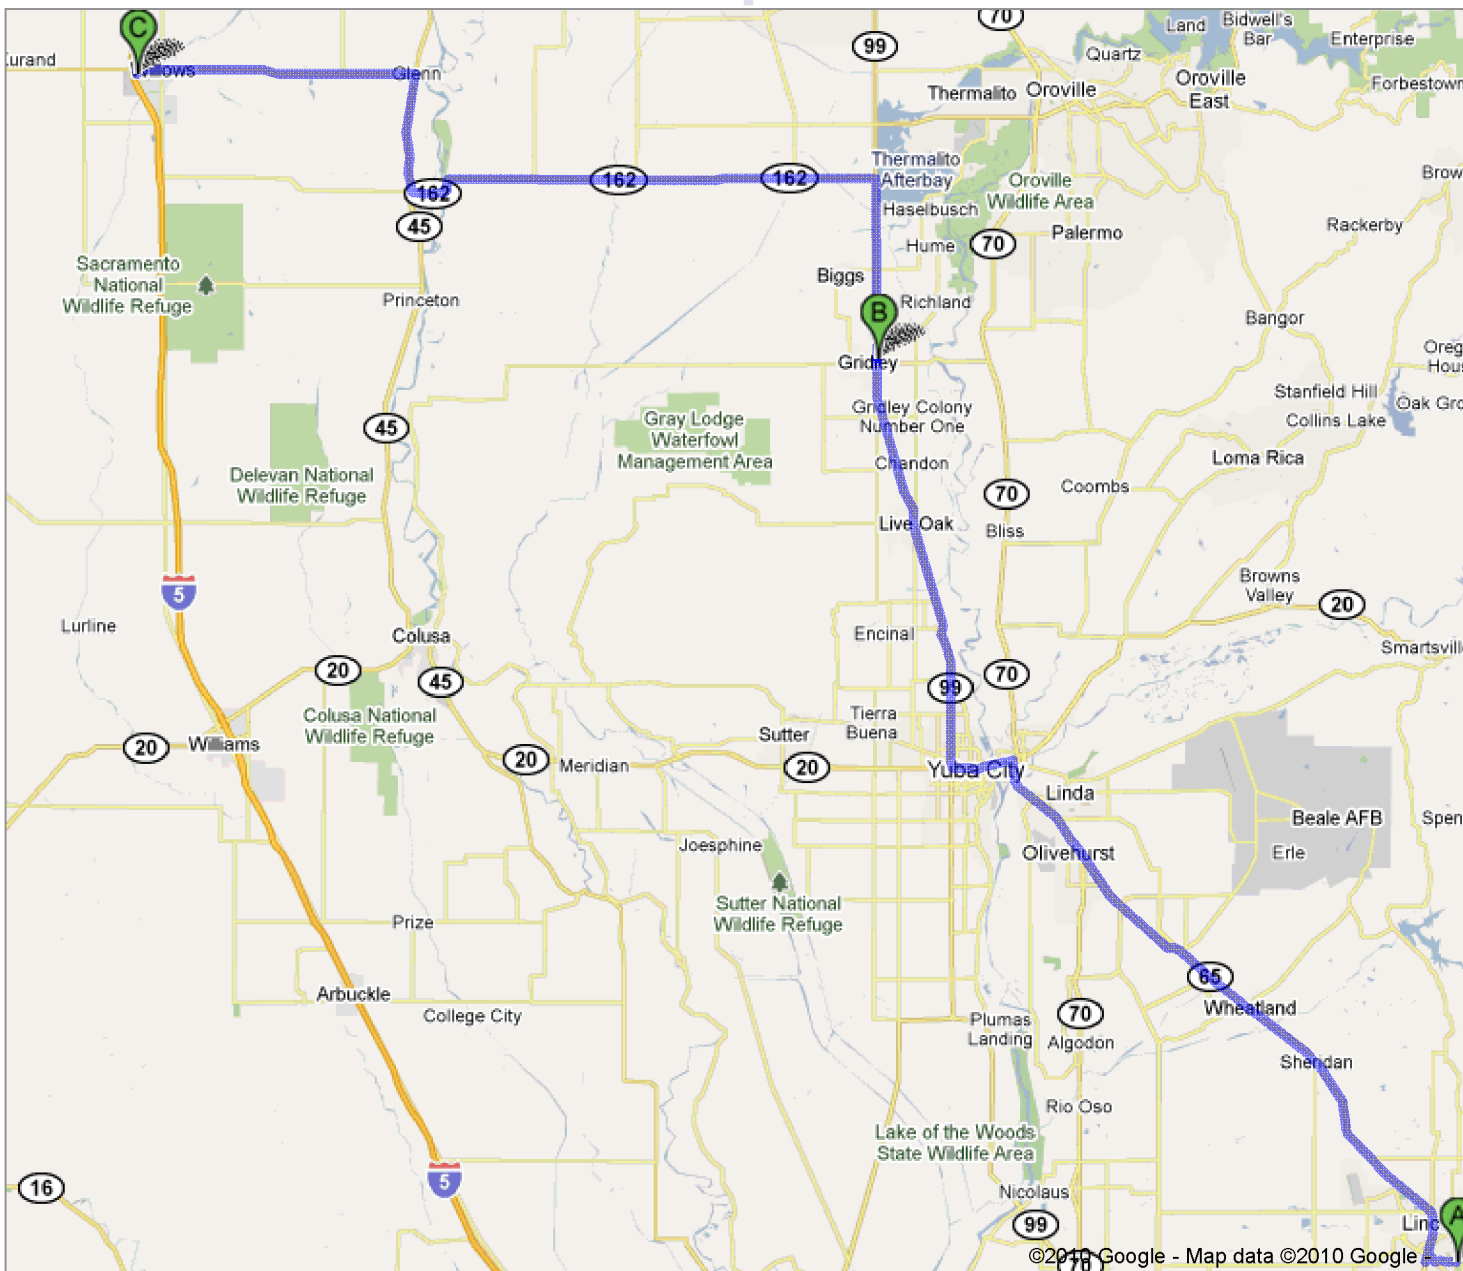

Ernie Drake
