

20 August 2011

The LHSCG trip to [Big Springs Gardens](#) is on August 20th.

You will be given trip instructions the morning we leave, no need to print this.

We will meet at the Orchard Creek Lodge Parking lot on August 20th at 8:15 AM for an 8:30AM departure. There are 24 cars so we will split into two groups. Michelle and I will lead one (gold Lexus SC430), and Dick and Mary Ann Brewster will lead the 2nd group (black Corvette). The groups will leave a couple of minutes apart to avoid congestion.

Set your radios to channel 6.

If you want detailed maps of the areas we will be driving, you can get AAA's "Gold Country" and "Sierra Nevada-Lake Tahoe Area" maps. These do a good job of covering the roads we will be driving on.

We will take a scenic but paved route to the north side of Auburn via Baxter Grade where we will get on Highway 49 at Dry Creek Road. The remainder of the trip is via Highway 49 and approximately 100 miles one way.

Our one pit stop will be for 30 minutes at the Starbucks or other places near the Raley's parking lot on Freeman Lane in Grass Valley at about 9:30 AM. The Grass valley Starbucks is moving to across the street. If there is a time issue, there is a Supermarket across the parking lot that serves Java City Coffee at their bakery counter. They also have restrooms. There is also a Subway and Jamba Juice in the same shopping center.

We will not be able to all park together in the large shopping center parking lot. We will regroup on Freeman Lane after exiting back in the direction that we came. There is plenty of room to line up in a single row with some space between groups. Please be lined up and ready to go at 10:00AM. We should depart at 10:00AM to get to Big Springs at 11:30AM

From the coffee stop, it is about 90 minutes to Big Springs Gardens. It's Highway 49 all the way to Big Springs Road. About an hour after Starbucks there will be an opportunity to make an unplanned pit stop in Downieville, but we will not stop as group. Parking is typically too limited in Downieville in the summer and it's less than 30 minutes from Downieville to Big Springs Gardens, our destination. The route instructions are on the next page if you need to stop and catch up later.

We will arrive at Big Springs Gardens at about 11:30 AM. We will have our own parking area with someone there to direct us to it.

From the parking lot to the eating area is about a 1/4 mile walk over a trail. If anyone in your car has difficulty walking, you may drive them up to the eating area, and then take your car to the parking lot. As you enter the property, there will be a Y in the road with the left road going to the eating area; regular parking is up the right hand road.

Hors d'oeuvre will be served at 12:00 Noon and the main meal at 1:00. Since we will arrive at about 11:30, there will be time to walk around and explore a little before lunch. Trail maps are available in the lunch area, which is central to everything. Explore some more after lunch.

After lunch we will leave Big Springs Gardens and head to Lynn and Pat Heesch's house in Truckee. I want to give everyone plenty of time to have lunch and explore Big Springs Gardens, so let's play it by ear as far as our departure time is concerned. I think it will probably be about 2:30. Separate instructions are below for that trip. It will take about an hour to get there.

The trip home after visiting with Pat and Lynn is on your own. Good luck and drive safe.
