

Delta - Rio Vista Ride

April 2, 2011

- **We'll leave Orchard Creek Lodge at 9:00 am.** We'll take Fiddymment Rd to Baseline and head west to 99 S. We'll take 99 S to I5 S and drive towards Sacramento. We'll head south past Sacramento and take Exit 512. This is the Pocket Rd/Meadowview Rd exit; turn left. Drive a short distance (two or three stoplights) and look for Starbucks on the left (in front of Home Depot and next to Wendy's). We'll have a short break for coffee. When leaving Starbucks, backtrack about ½ block towards I-5 and turn left (South) onto Hwy 160/Freeport Rd. It will be difficult to keep everyone together leaving Starbucks, so we'll all reassemble about 3/4th of a mile down Hwy 160 at the Bill Conlin Youth Sports Complex parking lot on left side of road.
- Our ride will take us along the delta (River Rd.) through the town of Hood, past the Ryde Hotel, Walnut Grove and Isleton to Hwy 12. It's a beautiful ride along the river, with orchards just starting to bloom.
- When we reach Hwy 12, we'll turn right (west) and cross the river to Rio Vista for lunch. As soon as you're across the bridge, take the first ramp to the right turning about 180 degrees. Take the first right turn again which is N. Front St. Go right on Sacramento St and left on N 2nd St. Stay on N 2nd to Marina Drive. Make a left turn and take it to the Point Restaurant.
- **Lunch is scheduled at the Point Restaurant in Rio Vista at 12:00 noon.** Here's their website: <http://www.pointrestaurant.com/index.htm>. After lunch, we'll head back toward Sacramento, following a similar route along the river. We'll depart the Point Restaurant at about 1:30 pm.
- We'll take a slight detour on the way home to visit the Bogle Winery in Clarksburg for some wine tasting. Since Bogle Winery is on the opposite side of the River from the normal Hwy 160 routing, we will be staying on the west side of the river until we get to the winery turnoff. We will not be following the Hwy 160 signs directing us to turn right to cross a bridge. The point where we ignore the bridge crossing is approximately 16 miles north of the town of Isleton. Drive approximately 9 miles beyond that bridge and turn left on Rd 141, then left again on Rd 144 to the winery.
- When we leave Bogle, backtrack to the river front road, turn left (north), and drive just over 3 miles to the Freeport bridge. Take the bridge to the right, then north on Hwy 160/Freeport Rd. and home.
