

Lincoln Hills Sports Car Group

Mark Your Calendar: 10th Anniversary Tahoe Run - Wednesday, May 23

Our 10th Anniversary Ride will honor the Sun City Lincoln Hills Sports Car Group's 10th year of rides, social events, and community activities. The Group's first ride was a day trip to Lake Tahoe in May of 2002. So, to commemorate that first event, we'll take another ride to Lake Tahoe and celebrate the day aboard the 400 passenger M.S. Dixie II paddleboat. A deli buffet lunch will be provided for us on the boat. After the two-hour boat ride and lunch, we'll drive up the west side of the lake via hwy 89, which, along with being scenic, is a fun driving experience. From the Truckee area, we'll split into several groups for the return trip home. It will be your choice – mostly back roads, or a more direct freeway route.

Our discounted cost for the boat tour, deli buffet lunch, and reserved parking space is: **\$50/person plus \$8/car for parking – a total of \$108 per couple or \$58 for an individual.** We have reserved 100 seats on the [M.S. Dixie II](#), which is approximately ½ of our membership, so get your personal reservation in now to secure your place on the boat. If you need to cancel later, you will receive a full refund if requested no later than May 8th.

Please make your check out to "LHSCG" and drop off or mail to:
Ernie & Chere Drake, contact information is on the LHSCG Roster.
